COLUMBIA BOOK OF YARN FASHIONS · VOLUME 77 · 25 CENTS

Foreword

The nation's leading knitting instructors have selected the creations Columbia presents in this book. These people occupy a very unique position in fashion circles throughout the entire country—from Maine to Hollywood, from Seattle to Palm Beach. They are in constant contact with both the latest style trends and the newest and most practical developments in stitch patterns and knitting practices. Here are the garments these nation-wide instructors have designed for their classes and clientele to knit for next spring and summer wear. You, yourself, can readily reproduce the style and charm of any of the "fourteen future fashions" inexpensively, pleasantly and profitably.

Repeat from round 1 to 16 for 8 inches. Separate the sts using 6 patterns (120 sts) for back, and 7 patterns (140 sts) for front. Decrease 1 st each end of front every other row until 40 sts have been decreased each side. The sts on the wrong side will be the reverse of those on the right side, the k sts will be p sts and the p sts will be k sts. When ½ pattern is made, increase 1 st in each of the 7 centre p stripes. When another ½ pattern is worked, increase 2 sts in each diamond omitting 1 diamond at each end. When the centre front is 12 inches long, to shape neck, bind off 12 sts at centre front, then bind off 3 sts at neck edge every other row. At the same time, continue to decrease at arm edge until all sts are decreased (raglan seams should measure 8½ inches). Make other side to correspond.

until there are 9 white stripes. Then, increase 1 st each end every 8th row to armhole, always working in stripes as before; but, on the first row of the 14th white stripe, work the first 2 and last 2 sts in blue. On the next k row, shift 1 st to centre, so that there are 3 sts of blue each side. Continue shifting to the centre and increasing at underarm seams every 8th row until there are 14 sts of blue each side including increases.

Sleeve Cap:

Now join white, k 1 st, pick up blue thread and k 14 sts. Continue across back in pattern moving the blue stripe in 1 st, k last st using white. Purl back in pattern. Continue moving blue stripe toward centre 1 st every k row, keeping 14 blue sts, increasing a white st at the beginning and end of every k row (2 more white sts every k row) until there are 11 white sts, then, work sleeve caps in stripes to correspond with back and work blue stripes even for 3 white stripes, continuing to increase at beginning and end of every k row. Then shift toward centre every k row for 5 white stripes or 40 sts of white each side. Now work even to shoulder, continuing to increase 1 st at beginning and end of every k row until there are 5 blue stripes in the cap section. Then work even at beginning and end of every k row until there are 9 blue stripes.

Now shape shoulder as follows, continuing in pattern and working on half of the sts only, leaving an opening in centre back. Bind off 6 sts at the beginning of every k row 10 times for right shoulder, keeping centre opening even. Then, bind off remaining sts for neck. Work other half to correspond, binding off 6 sts at the beginning of every p row 10 times.

Front:

Cast on 92 sts using white. Work even in stockinette for 16 rows. Now work the first 2 and last 2 sts in blue. Shift every other row, having 1 st more of blue at each side and 2 sts less of white in centre until all sts are blue; but, when work measures 3 inches, increase 1 st at each end every 6th row 6 times, then every 8th row until work measures 8 inches, but when work measures 6½ inches, work across to within 11 sts of end of needle. Turn, slip 1 st, work across to within 11 sts. Turn, slip 1 st, work across, leaving only 9 sts on needle. Turn, slip 1 st, work across, leaving only 9 sts on needle at other end. Continue in this manner, leaving 2 sts less on needle each time until all sts are used again. This gives 12 rows of extra length in front.
Now join white and k 2 sts at the beginning and end of row. Work cap same as back, but, move blue section towards centre 1 st each side every other row until there are 40 white stitches, then work blue section even up to the shoulder, but, when there are 5 white stripes in the cap, start neck opening as follows: Bind off 16 sts in centre front, then, 2sts each side once, 1 st at each side twice, then work even until shoulder is reached. Shape shoulder same as back. Sew side seams leaving extra length loose at bottom, then sew shoulder seams. Work 3 rows of s c around cap edges using white. Weave front of blouse to ½ of waistline of skirt. Finish back of blouse with 3 rows of s c using white.

Collar:

With wrong side of work facing you and using white, pick up 150 sts around neck. Work even in stockinette for 1 inch. K 30 sts, increase 1 st every 6th st ending with k 30. Work even until collar measures 6 inches. Bind off very loosely. Work 2 rows of s c around collar using white. Fold collar in half and sew at each side of back opening. Finish with 6 buttonloops.

Jacket Back:

With blue, cast on 136 sts. Work even in stockinette for 4 inches. Then, decrease 1 st each end every 6th row 8 times (work measures 7½ inches—120 sts). Work even for 4 inches, then increase 1 st each end every 6th row 7 times. Work should now measure 15½ inches. Work ½ inch even. Then shape armhole as follows: Bind off loosely 8 sts at the beginning of the next 2 rows. Then, decrease 1 st each end of every k row 8 times. Work even until armhole measures 7 inches from beginning of decreases. Shape shoulders, work to within 5 sts of end of needle, turn, slip 1 st, work across to within 5 sts of end of needle, turn, slip 1 st, work to within 5 sts of that row, leaving 10 sts on needle, turn, slip 1 st, work across to within 5 sts of that row, leaving 10 sts at that end. Continue leaving 5 sts more unworked at each end until there are 20 sts left at each end. Then leave 6 sts more at each end until there are 32 sts altogether at each side unworked. Work back and forth once on remaining centre sts. Work all across once and bind off loosely on a p row.

Left Front:

Cast on 16 sts. Increase 2 sts at end of a k row, which will be the front edge, every k row 22 times (60 sts). Then increase 1 st at end of every k row 15 times (75 sts on needle). Then increase 1 st every 4th row at end of every other k row, 5 times. All these increases are made at centre front. Work even until work measures 15 inches. Make underarm dart for bust allowance as follows: Work to within 15 sts of seam edge (edge not increased). Turn, slip 1 st, work across. Work to within 13 sts of edge, turn, slip 1 st and work across. Continue leaving 2 sts less on needle at seam edge each time until all sts are worked. Then shape armhole same as for back. At the same time, start shaping neck edge by decreasing 1 st every 4th row to shoulder. But, when work measures 4 inches, from beginning of armhole, make vertical dart as follows: Starting from armhole edge, work 23 sts. Then k 2 sts together, k 1, k 2 sts together, work across even. Repeat this every 4th row, or every other k row, having decreases directly above one another working 1 st less each time from armhole. Continue this until armhole measures 7 inches from beginning of armhole decreases,

there should be 32 sts left. Shape shoulder same as back and bind off loosely.

Make other front to correspond.

Sleeves:

Cast on 114 sts. K even in stockinette for 1½ inches. Now decrease 1 st at each end of the row every inch 6 times (102 sts left). K even for 1 inch, then, increase 1 st at end of row every inch 9 times (120 sts). K even until sleeve measures 15½ inches. To shape cap, bind off 4 sts at the beginning of next 2 rows, then 2 sts at the beginning of every row until 20 sts are left. Bind off these sts loosely.

Make second sleeve to correspond. Sew seams and weave to armholes. Finish around coat and bottom of sleeves with 3 rows of s c.

Pocket:

Cast on 20 sts. Work even in stockinette for 1 inch and bind off. Sew on upper part of left front to give appearance of pocket, 3¾ inches from centre edge, 8½ inches down from shoulder.

When all sts on needle are k and p sts, continue to k and p for the rest of yoke. Work 1 inch even, then decrease 1 st each end every other row until there are 40 sts left for neck and bind off.

Front:

Work front in exactly same manner as back until there are 96 sts on needle. On the next row, start shaping neck as follows: K 2 sts together, k 46 sts, slip remaining 48 sts on st pin, turn on 46 sts and k to end of row. Continue to shape armhole as before, while at centre front, decrease 1 st every other row until there are 28 sts on needle. Then, decrease 1 st every 4th row until all sts are used.
